So: my car has broken down, my cat has hated me since I called him by my ex's name, and this morning I sent a love message to my boss instead of my girlfriend. A fairly... detailed message.

MOI

The best part is that everyone keeps telling me to "stay positive". Positive. Of course. Hang on, let me be positive: at least my boss now knows I am a very affectionate person. That is good for the mood in the office, isn't it?

MOI

So there we are. Everything's fine. I'm smiling. See? I'm smiling. That is a smile, that. Absolutely. Don't push it.
